Sir,

In sending an Extract of services rendered in the Madras Presidency by V. Terumala Row, late Sheristadar Amildar in this Province, I have the honor to request that the same may be verified from your Office Records and the result reported to this Office together with the Expression of your opinion whether the services can be admitted towards pension. No original papers have been submitted as the applicant stated that he lost them in a theft which occurred in his house some years ago.

I also beg to state that Terumala Row has not paid any contribution since rendition to secure payment of his pension by the British Government

But

I am under the orders of the Government of India to lately communicated in the letter dec 1324/5155 dated 12th May 1886 from the Assistant Resident at Mysore to the Dewan (Copy enclosed), a proportionate share of his pension would seem to be payable by the Madras Government for his services under that Government and I have the honor to enquire whether the claim will be accepted by you.

The Madras Accountant General refuses to accept any portion of Tirumala Row's pension for his service in Madras (see para 2 of the Accountant General's letter quoted above) and says that his case is similar to that of Mr. W. Sir,

With reference to your letter No. 3067, with date, forwarding for verification, a statement of the services of Terumala Row, late Amildar of Hoskote Taluk, I have the honor to state that his name is not traceable in the annual returns from 1853 to 1859, and in the return of 1863. In the returns of 1860, 1861, and 1862, however, he is shewn as particularized in the margin. His name in these returns appears as A and B. Tirumala Rao.

2. With regard to para 2 of your letter, I would observe that, the rules as they stand at present, do not authorize the acceptance of any portion of Tirumala Row's pension from the British Government. His case, it appears to me, is similar to that of Mr. W. Baylis referred to in your letter No. 4237 dated 30th March 1887, and not to that of Mr. O. Marchant.

3. The statement of Terumala Row's service received with your letter is herewith returned.

SIR,

With reference to your letter Number 4276/362 dated 12th September last and its reminder Number 5075/396 of 30th October, I have the honor to enclose duly verified and recommended, for the Orders of Government the application for Pension on behalf of Yermal Rao late Amildar of Hoskote Taluk. The delay in the submission of this application arose from the Applicant's Services having to be verified by the Accountant General of Madras in Communication with the District Court of Kurnool (Vide Copy of his letter Number 1 AE/202 dated 20th October 1898).

I beg to invite the attention of the Dewan to the last para of the letter in which the Accountant General thinks that under existing rules no portion of the pension is chargeable to the British

Revenues

Revenue. Under the terms of the decision of the Government of India conveyed in Resident's letter Number $\frac{1324}{5155}$ dated 12th May 1856, I think the pension is so chargeable and would suggest a reference to the Government of India through the Resident. The full amount of pension is being paid to Virmul Rao from Mysore Revenues as a provisional arrangement and no inconvenience will be occasioned by the delay that may result from such a reference.

Sir. In returning herewith, the State-ment of Service of Tirumal Row received with your letter No 2243 dated 9 October 1888, I have the honor to state that, Tirumal Row's service from 1 May 1857 have been Verified by the records in this office as well as those in the office of the District Judge Kurnool and may be admitted towards pension.

2. As regards his service render-ed prior to that date, I beg to state that the service, not being proved by office

records, should be rejected as non-qualifying. The rejection, however, I presume will not affect the amount of pension to which Sirumal Row would otherwise be entitled.

3. With reference to the concluding portion of your letter, I beg to add, that under existing rules, no portion of Sirumal Rows pension will be borne as a charge against the British Government. Should the Government of India decide that his pension should be borne by the British Government and the Mysore State according to the rule of proportions, this office will have no objection to accept the share of pension due for service rendered up to 1863 as a charge against the British Government.

Sir,

I am directed to forward the marginally noted papers relating to the Pension of Perumal Row, late Amildar of Hoskote Taluk in the Bangalore District.

1 Pension Application
2 Service Register.

2. Perumal Row has rendered service both under the British and Mysore Governments. Deducting the non-qualifying service noted in the margin, the total qualifying Superior Service rendered by him amounts to 28—6—27, of which 5—10—30 were under the British

under the Supreme Govt,
from 31st March 1863 to 30th September 1887,
thereby entitling him
to half leave, debitable
to both Governments ac-
cording to the rule of

Total = 28-6-27

3. From the com-
munications noted in
the margin, copies of
which are forwarded,
it will be observed
that the Accountant
General Madras, who
has verified the services
rendered by Serma
Row under the British
Govt as admissible towards
leave, objects to
accept the share of
leave due by the
British Service as a
charge against the
British Govt. On
this point I am directed

to state that the Govt. of India having decided in the case of Mrs. Merchant of Hyderabad Service that pensions for services rendered under the British and Impl. Governments should be borne by both the Governments according to the rule of proportion, the same decision holds good in the present case also.

4. Under the circumstances I am directed to request that the Accountant General Madras may be instructed to accept the liability of the British Government to pay their share of pension for the services rendered by Terminal Rs under the British Government

w/to

upto 20th March 1863.

5. I am to add that the case in question is similar to that of Ghulam Mahomed, late Head Clerk, Plantation Office, Bangalore, referred to in the ~~communication~~ correspondence ending with your letter No. 16-70/45-38 dated 18th May 1859.

Dated Bangalore, 18th October 1889.

SIR,

I am directed to forward for favor of your opinion a letter, in original, from the Mysore Sarbas regarding the pension of Sirimal Row, late Amildar of Arkalgud taluq in the Bangalore District.

2. I am to state that as at present advised the Resident is inclined to think that as Sirimal Row did not contribute towards a pension from the British Govt., the principle of the rule of proportion can hardly be applied to his case. All that he appears entitled to from the Sarbas is one half of his service under the British Govt., under the Rules

No. 4701-338 dated 11th Septr. 1889 with enclosures.

Sufficient as cited on the margin. This
was a fine sum 2. y. m. d. 15 which added
to the service of 22. 7. 28 under the Bar at,
entitles him to a Half Pension.

Sir

I have the honor to be
Your obedient servant
J. Crawford

Sir

With reference to your letter
No. 162 dated the 18th of October
last, forwarding for my opinion, letter
No. 1. of 328 dated 11th September 1869, from
the Chief Secretary to the Govt of
Mysore, regarding the revision of
Pension of Rao, late Amildar of Nelmole

Taluk in the Bangalore District, I have the honor to state that it appears from the History of Service furnished, that Tirumal Rao commenced service under the British Government, and continued to serve under it up to 31st March 1863, when he was transferred to the Mysore Province. He served in the latter, up to date of retirement without having to the British Government pensionary contribution from 1st October 1862, the date of rendition of the Province.

2. In the case of Officers falling under one or other of the following classes, though they are not regarded as having a status in British service, the Government of India have to a greater or less extent admitted a claim to pension for such British Service as they may have rendered.

(a) Officers who, having no previous service under the British Government, commenced service in Mysore, and were transferred to British Service proper, before 1st October 1862.

(a) Officers who commenced Service in the British Empire but re-entered it to take up appointments in the Malaya and were subsequently transferred to the British Service on 1st October 1882.

(b) Officers who commenced Service in the British Empire but re-entered it to take up appointments in the Malaya and continue to be employed in Malaya after 1st October 1882 on a Pensionary contribution to the Imperial Government.

In the case of officers at (a) and (b) the Pensions are calculated on the emoluments of the British Service only at the rate provided by the rule of proportions.

(c) Officers of the Civil Service of the Straits Settlements. The case of officers of this class will be dealt with under the provisions of the Act passed in the year of the reign of Her Majesty the Queen, entitled "An Act to provide for the granting of Pensions, Gratuities and other Allowances, and the Repayment of Contributions in certain cases to Officers of the Civil Establishments of the Colonies" passed on the 16th August 1865; Provided that

(d) The case of Criminal Law does not fall under either clause (a) or (b) nor does

it fall under class (C), since he has not paid pensionary contributions from October 1882. He is not, therefore entitled under the rules as they stand, at present, to claim any portion of his pension from the British Government for the service rendered under it prior to his transfer to Mysore.

5. With reference to the concluding part of your letter, I beg to observe that it is for the Mysore Durbar to determine whether, or not, the concession granted by para 5 of its Notification No 98 dated 31st August 1882, should be granted to the applicant.
